

FLYING DURING PREGNANCY FORM (FORM A)

Up to 27th week of pregnancy

You can fly up to the 27th week with no special requirements, providing your pregnancy is progressing as normal and there are no complications. We require you to complete this form.

I _____ (full name of passenger) confirm that:

1. The estimated delivery date is.....
2. My pregnancy is progressing as normal and it's not a twin/multiple pregnancy*
3. My doctor/gynaecologist has confirmed that it is safe to fly during my pregnancy

*Twin/multiple pregnancy – you will also require a doctor's certificate confirming you are fit to fly, and the expected due date.

This form collects personal data used for the following purpose:

Where we need to protect your interests and your safety.

Consent

By consenting to this form and any information contained on it, you are giving us the permission to retain your personal information in paper form. Aurigny Air Services will destroy the form in a secure manner and will keep the form no more than 12 months after the baby's due date.

Disclosure

Aurigny Air Services will not pass on your personal data to third parties without first obtaining your consent.

Principles of data protection

We are required under the Data Protection Legislation Regulation to notify you of the information contained in the Privacy Policy.

Our Privacy Policy is available on our website www.aurigny.com.

I have read and agree to these terms.
